

Pension file--L

Claim 14993

February 15, 1910

Honorable W.A. MacWilliams,
Saint Augustine, Florida.

Dear Mr MacWilliams:-

Under the law now in force applicants for pensions must show re-enlistment after the removal of the disability where the soldier was discharged on account of disability. It will be necessary for Mrs Leonardy to show that her husband was either unfit for military service during the war or that he re-enlisted when his disabilities were removed.

Have her submit the necessary affidavits to cover this point and I will place the claim again before the Board of Pensions.

Yours very truly,

Secretary
